The LHS scholarship was founded during the 19th-century and was donated to LHS in 1932. Today the scholarship is administrated by the board of SLU. Ten percent of the return is put to the capital and the rest is handed out as scholarships of at least 1000 kr to one or more students in need.

ULS Board vote for grantees by secret ballot - voting is not preceded by any discussion.

The payment of the scholarship is received when the chairman have sent a copy of the ULS board decision to SLU.
