Meet up with buddies

Meet up with and get to know your buddy and buddy-group! This is a suggested time for the first meeting, if you miss it, you will still of course have the opportunity to be in a buddy group. At the end of this event, all buddy groups will gather at the Union for some information from IC and MC, after which the international pub will begin.

International Pub and other pubs

At any union pub, you can buy food for a cheap price and hangout with other students.

Trip to IKEA and 2nd hand stores

Meet up with us and the IC at IKEA for fika and then we will show you some 2nd hand stores in that area. You will have the opportunity to walk around freely and buy what you need while getting to know us and each other. Add what busses there are.

Grill at Rackarberget

Bring your own food and beverages for an outdoor grill with both Master's and exchange students. And who knows, there might even be a surprise visit...

Punschmorgon and buying dinner tickets

Play games and get to know the Odors. You will also have the opportunity to buy tickets for two dinners during the welcoming weeks: the Minion dinner 10/9 and the "Sångboksmiddag" 3/9. You can read more about these dinners further down on this list. If tickets are left, they will also be sold during lunch on the same day.

"Saftkalas"

During this event, MC and IC will provide fika for all minions, but bring something to drink! You can also go fika with people studying your subject in Swedish, but you might have to buy fika from their faddrar.

Historical tour of campus

This event will start in the Aula at Undervisningshuset, where some history about Ultuna will be read (If you don't speak Swedish, you will be given a translation of the story). After this, you will be paired up with a tour guide that (in English) will walk around campus, giving you a tour of its "history".

Tour of nations

Nations (student organisations in central Uppsala that arranges activities and parties) are a big part of Uppsala student life, so take this opportunity to get a tour of the nations in the city centre and learn more about them! You could also take this opportunity to become a member of one.

Battle of Ultuna

More games around Ultuna hosted by ULS IF - the sport's committee.

Games with Protozoer

Even more games! This time you will get to play games together with the veterinary students = protozoer!

Slektival

Get to know the Veterinary, Veterinary nursing and Engineering students also studying at Ultuna.

Grill and hike in Håga

Experience some nature with us! We will together hike in Hågadalen/Nåsten nature reserve to a fireplace where we will have a grill. Bring your own food and beverages.

Treasure hunt

Do different tasks in the city centre during this treasure hunt! A good way to have fun and see the city at the same time.

"Sångboksmiddagen"

For this union dinner, all students are divided into their Swedish landscapes. While it is free of choice which landscape to sign up for, Internationals often sign up to join Gotland and Öland - this is also where you will find the chairperson of MC (Emilia Mattsson) for this dinner, so don't hesitate to join her! Before the dinner, you will have pre-drinks with your landscape at a location TBD, and also sit together with the same people at the dinner.

Minion games

Get to know some other students while doing games led by different committees from the union. Wear comfortable clothing and bring a towel.

Good to know about union dinners

- It officially begins at the union building where you will see the seating chart, put your coats in the wardrobe, get a free drink, and have the opportunity to buy shot-tickets (if you want a shot during the dinner).
- After a brief speech, everyone walks together to Syltan, where a 3-course dinner will be served. Remember: do not sit down until the Union song has been sung!
- It is custom during the dinners to sing songs. Most songs sung during a dinner will be printed out and put on the tables, but you can also buy a songbook from the Union, where you can find all the songs.
- Students will sign each others songbooks with messages that the owner of the book is not allowed to read until the day after the dinner. So remember to bring a pen!
- Once the dinner is finished, everyone will walk back to the Union building for the "släpp" - which is the name of the party following the dinner.
- You are welcome to join the party even if you did not attend the dinner, although then you will have to pay a smaller entrance fee (while the party is included in the dinner ticket)

Sled-race and preparation

Come and see when the Odors compete against each other in a race with sleds, a so-called "kälkrace"! These sleds will have been prepared by the new students, and you - the minions - will get to prepare your very own sled! Much of the event will be in Swedish, but MC members will be present and translate when needed. You will have the opportunity to prepare this sled, as well as a throne, for your Odor during some mornings the very same week, where we will also provide you with free breakfast.

Småttingprao

Join the activities hosted by other committees to get a greater picture of what they are doing at the union. NB! Some committees may have their prao in Swedish only.

Profezzor's invitations

The incredibly intelligent profezzors at Ultuna invite you to have dinner with them. Wear comfortable and warm clothes as you may be having an outdoorsy dinner.

Dance battle

All new students meet up in the city centre to dance the Welcoming Weeks 2022 dance, which you will be introduced to and given the chance to practice at several activities before!

Picnic

Following the dance battle, bring your food to the picnic in the park. You can attend only the picnic if you want to.

Minion dinner

To finish off the welcoming weeks, join us for a dinner at Syltan! Before the dinner, IC, MC will meet up for pre-drinks location will be announced
