

# Dear graduates 2026,

Soon it is time for your Graduation and even though it may feel like a long time until then, we all know that the time will fly by! The Union is arranging Graduation ceremonies and balls to celebrate both Bachelors and Masters, while SLU arranges Thesis Day. For Bachelor students the graduation day will be celebrated on the 23d of May and the Masters on the 30e of May. Since the Union arranges it, you need to be a “studying” paying member to participate. Become a member here: <https://unicorestudent.com/ULS/sv/shop>

## **The Graduation Day**

The graduation ceremony starts at 15:00 in the Aula, but all graduates are gathering at 14:00 in the Union house for information and group pictures. During the ceremony all graduates will be presented on the stage to receive a symbolic diploma from the Unions Inspector. It will also be speeches, awards and the choirs will sing. There will also be a break with fika. Afterwards you may follow down to the Union house for predrinks before the ball at Syltan, where you can receive a formal verse. Of course, the evening is finished with a släpp until 04!

**OBS!** You may participate in only the ceremony or the bal.

## **Dress code**

The dress code for both ceremony and ball are white tie, which means tailcoat with white tie, floor length gown or folk costume. For guests only on the ceremony the dress code is formal day dress. More information is available on the Unions website, and you are welcome to contact us if you have any questions.

## **Formal verse**

Friends and family can send in a formal verse that gets placed on the graduate’s plate before the bal. You send it in through a form that will be publish on the website. It may be maximum 6 lines long and the last day is 10e may to send it in.

## **Kamratpub**

A “Kamratpub,” previously called “ring verse pub,” is when fellow union members, classmates, and/or friends put together a verse or a PowerPoint presentation showcasing the graduate’s best memories, achievements, and similar moments from student life (nothing too inappropriate). The verse/presentation may be a maximum of 10 minutes long. This is organized by the student themselves and not by the union. The union and the traditions committee will only ensure that the union building, and pub are open and that you can register for the event. The dates are the 8<sup>th</sup> and 9<sup>th</sup> of May.

## **Graduation Ring**
